A jury was finally empannelled consisting of J. C. Cole, Richard Wallace, John T. Knight, P. F. Stonebraker, R. C. Cox, R. S. Reynolds, C. Cole, J. W. Cox, J. A. Calhoun, James R. Mazsen, J. P. LYNCHED. - Mike Green, the negro who outraged Miss Alice Sweeny, of Prince George's county, Md., on Wednesday last, and whose arrest and complete identification have been heretofore mentioned in the Gazette, was taken from the jail at Upper Marlboro' at an early hour yesterday morning, carried about a mile from the village, and hung to a cherry tree alongside the road. Several attempts had been made to get possession of him, but were baffled by the vigilance of the Sheriff until the time stated above, when a force numbering fifty men broke in the back door of the jail and got the prisoner. The negro is said to have strug gled violently to escape, but finally made a full confession. His body was left dangling from a limb directly over the road until a late hour of the morning, when the Sheriff took it down .--Several outrages have been committed or at tempted in the same county of late, and the citizens have resolved on summary measures.

THE MOFFETT REGISTER .- Major George Daffey, Commissioner, made his returns to the Corporation Court for the month of August yesterday. In looking over the same we find that the roturns of some of the registers are so extremely small that one of two things must be inferred, either that the parties keeping them must have neglected to turn the crank, or their business has all left them. The largest amount of liquor registered by any retail dealer is that of R. B. Lawson & Co., \$41.73; ordinary keepers, Cooney & Co., \$73 09; George Steurnagle, \$51.59. Steurnagle returns 2,668 glasses of teer for one month, the largest returned. The three parties above named pay nearly one half the Moffett liquor tax in this city for the month of August. Some of the dealers report as low as 6, 10, 19, 30 and 31 glasses of liquer, and 18, 20, 31 and 40 glasses of beer. The whole amount returned was \$491.58.

THE YELLOW FEVER.—The report of the illmest of Mrs. J. P. Jordan at Haymarket, as
meetioned in yesterday's Gazette, was conficient and supplemented last night by the news
of her death, which occurred yesterday morning. It is further reported that Mr. Jordan is
sick, and that the physicians have visan a consick, and that the physicians have given a certificate that Mrs. J's death was caused by typho malarial fever, and not by yellow fever; and that Mr. Jordan's brother, who came to this city for a cossio, had that certificate in his possession and exhibited it to some friends. The body of Mrs. Jordan has been interred at Haymarket.

Mr. Edward Corson, formerly of this city, but now a druggist in Memphis, writes to a friend that he alone is left of all the employees of a large drug house, all the rest being either dead or down with the fever.

THE SOLDIER'S CEMETERY .- A board of officers of the Quartermaster's Department have lovestigated the recent fire by which the superintendent's lodge at the United States Military Cemetery near this city was destroyed and have made a report entirely exonerating Capt. J. V. Davis, the superintendent, of all blame or reponsibility in the matter.

The contract for rebuilding the lodge has base awarded to Messrs. Heishley and Thomas and they have been directed to file their bond.

W. Thompson, which arrived here this even ing from the lower river, reports that the steamer Louise is still hard aground on Upper Cedar Point, and that the efforts of the three availing, although her coal and the water in her boilers were taken out. It is now thought that the services of the wreckers with their lighters, the services that the cents the former to the quanty of the cents, the former light cents of the will be seen to the section of the will be seen to the section of the will be seen to the s THE STEAMER LOUISE. - The steamer John &c., will be required.

POLICE ITEMS .- The following cases were tried this morning by Justice Thompson: George Chichester, for being drunk and dis orderly, was fined and in default of payment,

Hdward Paine, colored, for disorderly conduct, was dismissed, it appearing that he was

Escaped. -Two negroes named James, alias "Tute," Henderson and Silas Harris escaped from the chain gang yesterday evening, and made an assault last night on Henry Dudley and George Penn, the two witnesses, on whose evidence they had been convicted, beating them severely. They have not yet been re-captured. Two other men escaped from the gang this evening.

Corporation Court-Judge E. M. Lowe presiding.-The Count has been engaged during the whole day in the trial of the case of forgery against George R. Shinn, which was

still in progress when this report closed. PERSONAL.-Rev. II. Suter, the new rector of Christ Church, was in the city to day, and

went up the W. & O. R. R. to Lecsburg, where he will spend some days.

ALEXANDRIA MARKET, Sopt. 3 .- The market to-day is without material change. The demand for Flour is very limited, and the sales are few; the stocks on hand are ample, and the quotations are from \$3 for fine to \$6 50 for choice family brands. WHEN WE DEMORALIZE THE STOMACH by excesses or imprudence in eating, we cannot hope to escape the consequences for any great length of time. The most robust digestion must succumb to abuses of that important function. But supposing that we have been foolish enough to enfeeble the stomach, is the damage irrepar-able? By no mears. The dyspeptic has only to do two things to insure his ultimate recovery. First, he should adopt an easily digestible diet. Second, he should use with regularity and persistence Hostetton's Stomach Bitters, the lead-ing gastric invigorant of the age. The multiform symptoms of dyspensia, and the almost inva-riably attendant disorders, biliousness and constipation, will assuredly cease to persecute the sufferer if the above advice is attended to. Who that has suffered the torments that chronic indigestion inflicts will neglect to take advantage of a remedy which, if the most positive evidence of the medical profession and the public is to be received with due credence, is an absolute spe-

cific for the complaint.

NOTHING SHORT of unmistakable benefits conferred upon tens of thousands of sufferers could originate and maintain the reputation which Ayer's Sarsaparilla enjoys. It is a compound of the best vegetable alteratives, with the Iodides of Potassium and Iron, and is the most effectual of all remedies for scrofulous, mercurial or blood disorders. Uniformly successful and certain in its remedial effects, it produces rapid and complete cures of Scrofula, Sores, Boils, Humors, Pimples, Eruptions, Skin Diseases and all disorders arising from impurity of the blood. By its invigorating effects it always relieves and often cures Liver Complaints, Female Weaknesses and Irregularities, and is a potent renewer of vitality. For purifying the blood it has no equal. It tones up the system, restores and preserves the health, and imparts vigor and energy. For forty years it has been in extensive use, and is to-day the most available medicine for the suffering sick anywhere. E. S. LIVER IS KING .- The Liver is the imperial organ of the whole human system, as it controls the life, health and happiness of man. When it is disturbed in its proper action, all kinds of ailments are the natural result. The digestion of food, the movements of the heart and blood, the action of the brain and nervous system, are all immediately connected with the workings of the Liver. It has been successfully proved that Green's August Flower is unequalled in curing all persons afflicted with Dysequalled in curing all persons afflicted with Dysequalled. equalled in curing all persons afflicted with Dyspepsia or Liver Complaint, and all the numerous symptons that result from an unhealthy condition of the Liver and Stomach. Sample bottles to try 10 cents. Positively sold in all towns on the Western Continent. Three doses will prove that it is just what you want.
